

Appl. No. 10/069,031  
Amdt. dated November , 2006  
Reply to Office Action of 08/16/2006

REMARKS/ARGUMENTS

New claim 67 is presented for further definition of the invention.

New claim 67 is believed to be allowable for the reasons set forth in the Remarks/Arguments in the Amendment Upon Final Rejection.

In the event there are further issues remaining in any respect the Examiner is respectfully requested to telephone attorney to reach agreement to expedite issuance of this application.

Applicants respectfully request that a timely Notice of Allowance should be issued in this case.

Since the present claims set forth the present invention patentable and distinctly, and are not taught by the cited art either taken alone or in combination, this amendment is believed to place this case in condition for allowance and the Examiner is respectfully requested to reconsider the matter, enter this amendment, and to allow all of the claims in this case.

Respectfully submitted,  
Johannes Kaeppler, et al
